Note: An escrow account shall be established as indicated above to cover all expenses incurred by the Joint Planning Board (JPB) as part of the plan review. In the case of applications, including multiple requests, the highest escrow deposit amount will be the only one initially required. The applicant is responsible for all costs incurred by the JPB during plan review. If the escrow amount drops below 10% of the original deposit amount the JPB will require the submittal of an additional escrow deposit sufficient to cover any anticipated expenses. Upon determination by the JPB that the project is complete or expired, the JPB will return the remaining escrow deposit to the applicant. In some cases the administrator may determine that escrow monies are not required or may be increased at the time of a new or subsequent project application.

- * Includes Beltrami County Recording Fee
- ** Triple the usual permit fee shall apply for any permit applied for or obtained after the work or use has been initiated.
- *** Remaining balance shall count towards application or be returned.
- **** Used to determine escrow amount for total project, entire escrow held until all items are complete.
- ***** Held for a period of one year after trees are planted.
